FAQs

How much is hourly parking?

Parking is \$1.50 per hour, every day from 7 a.m.-10 p.m. Cash or credit is accepted.

What's the process for parking in the garage?

Simply enter the garage from East Campus Drive and park your vehicle in an available spot. Each parking place is numbered, and there are automated pay stations on each floor where you can pay for your numbered spot. If paying by cash, please have exact change as the meter does not give refunds.

Do any of the surrounding venues validate parking?

The Club at LSU Union Square (formerly the LSU Faculty Club) will deduct the cost of parking (up to \$5) from your meal. Just bring your parking receipt to the restaurant.
